## Facility Tours

We are offering an optional campus tour

- ◆ At 1:30 pm

## Weather

The ASU Campus is equipped with a Lightning Prediction and Warning System called Weather Sentry (Telvent DTN). Should the Telvent DTN system send a text alert, the fields will immediately be cleared and campers will be ushered to the Junell Center. In the event of RAIN, camp will go on as scheduled UNLESS the fields are deemed unplayable and/or unsafe. At that point, we will go indoors and play futsal.
