The Full Day Camp is a four-day camp for boys and girls ages 6-15 of all skill levels. The camp is designed to develop players technically and tactically. Campers will be able to practice proper technique when shooting, passing, receiving, dribbling, defending, etc.

There will also be games designed to develop the tactical knowledge and vision of players.

We will provide shade and regular water breaks. During our lunch break, we will head inside to the Junell Center to cool off and have lunch inside an ASU Classroom.

In the event of adverse weather, we will introduce them to Futsal, which is one of the best developers of technique in the world. The day will conclude with a dip in the ASU Ben Kelly Center for Human Performance swimming pool where we will have lifeguards on duty to monitor the campers. We will provide lifejackets for those that require them. Camper pick up will be at the pool.
